- Github: <https://github.com/phantranthelinh/greenstore-nodejs-reactjs>
- Demo : +Home page: <https://shoeshop-fe.herokuapp.com/>
+Admin: <https://shoeshop-admin.herokuapp.com/>

EDUCATION

Can Tho University | 8/2018 - 10/2022

Major: Information Technology

During school, I learned data structures, OOP and algorithms, etc. With that knowledge, I was able to create a sales website, a basic WinForms application. Besides, I self-taught other knowledge like reactjs, and nodejs through YouTube channels and online courses.

TECHNICAL SKILLS

Programming Languages

- JavaScript, PHP

Frameworks/Libraries

- Tailwindcss
- Material-ui
